## FOREWORD

We, the Class of 1952, have come to the "parting of the ways." Some of us may go to various and distant parts of the country, but always, through our book of "Memories," we can relive the days we spent at Marple-Newton. As we "have entered to learn" and "go forth to serve," may we realize that it is our privilege and duty to keep the lamp of freedom burning in a bewildered world.

So we present this record of our past years, that we may keep fresh in our minds the pleasant contacts we have had with teachers, who gave of themselves so freely to bring our high school days to a successful ending, and with our classmates, whose companionship will long be remembered.

# *Our American Heritage*

## **DEDICATION**

Since the year 1776, the heritage of all American people has been freedom. So we, the class of 1952, dedicate our "Memories" to the members of our Armed Forces, who, together with those of other free nations, are fighting and dying that the people of our nation and of all the world may live in freedom and peace.

## School Board

### School Board Does Long-range Planning

The Marple-Newtown Joint School Board is made up of the combined School Boards from Marple and Newtown townships.

Mr. Frank Capotosto is president, Mr. Eugene W. Ewing is vice-president, Mr. Wilmer F. Loomis is secretary, and Mr. Charles H. Russell is treasurer.

The Board has two very definite projects for this year: one, the continuance of the evaluation program for the school, and another, the expansion survey for a long-range building program for the high school.

Early this year Mr. John Gable, who had faithfully served on the School Board for nineteen years, retired and was succeeded by Mr. William Culbertson.

Deep appreciation is extended to these ten seldom-thanked men who have so willingly given up their time to attend meetings and to work on projects connected with the betterment of the high school program.

## Supervising Principal's Message

Every boy and girl in our great country has been taught that in this land of freedom there is no bar to a person's progress except his own peculiar limitations. This preachment is true but it has a tendency to play up the "what's in it for me" attitude and to make true the statement that to too many people in this country democracy means, "I am as good as you" and not "You are as good as I."

We should remember that the freedom offered in the United States must encourage consideration for the other fellow. In this way cooperation is encouraged and we are doing our part to bind together the citizens of America and to make stronger that nation for which our armed forces are so courageously fighting.

Freedom does not give us the privilege to stand up in a movie and yell "Fire," just because we feel like it, nor does it bestow on us the right to disregard a monitor in the corridors when passing from class to class. Freedom does place upon us the responsibility of making a choice of action each time the occasion arises, which will not work harm to the other fellow. The "hot-rod" may think he is having a good time racing down the middle of the highway but look at the poor choice of action he has made.

Freedom, then, offers us in America a very wide latitude of action. Let us always choose that course of action which will add something to the common good and will make our nation a strong, well knit-together organization, well able to ward off the efforts of any group seeking to weaken it.

### GRADUATES PRIMED FOR BIGGER EXPERIENCES

As we come to the end of our high school days, we look back over the events that have marked our last year at Marple-Newton High School. Even now, we are able to recall the many happy, gala affairs that have polka-dotted our school lives. There have been dances, games, holidays, parties, sweethearts, and other events which have helped to complete our busy schedule. At last all is completed.

Some are happy, others are sad, but all have a feeling of awe and satisfaction. Now we are to face reality. No more theory, no more instruction; now we are on our own.

Our futures vary. Our class will disperse into the many fields of endeavor which are offered by our present-day world, such as, marriage, war, careers and college.

It remains now, only to live up to the standards made by our fellowmen, our nation, our God.

In summary, it may be said: We are launching ourselves into a troubled sea, but with God's help, we shall make the other shore.

### PREPARING FOR NEXT YEAR

"Buy a magazine subscription?"

This familiar cry was heard up and down the halls from September 28, to October 10. The Juniors were responsible, they ran a magazine drive. Jean MacDonna and her victorious white team edged out Dick Gross's yellow team. Bob Trowbridge, the Junior's champion huckster, sold nearly \$170 worth of subscriptions. When Dorothy Wardle, drive manager, totaled up the profits, she found that out of the \$2260 collected, the Juniors got \$820.

The Juniors contributed to the growing school population by welcoming Mary Bett Gilbert, Audrey Salmon, Charles Shisler, Bob Lytle, Dave Goodman, Thomas Walsh, Victor Knorr, and Kay Kanuika to their ranks.

The two Junior homerooms, Miss D'Amelio's and Miss Yeingst's, won first and second place respectively in the Christmas room decorations.

## Frosh--Undecided But Willing

Soon we shall be full-pledged members of the high school.

Even though we are still classified as junior high school students, we are beginning to get into high school activities.

We have elected class officers who are president, Leonard Cella; vice-president, Ralph Cubbler; secretary, Andris Suna; treasurer, Charles Harkins.

Members of our class have participated in all sports. The senior play, the junior chorus, and the band.

We have contributed to the "growing pains" of the school by adding many new members to our class roll.

The high point of this school year was our Freshman Frolic. We are looking forward to our remaining years with all their promises.

## Eighth Grade History Shows Promise

This year's eighth grade class was the largest in the history of Marple-Newton.

When we returned from summer vacation this year, we had several new teachers and pupils with whom to get acquainted.

The first big thing that we did was to elect officers. Mr. Richute's homeroom officers were Robert Hunter, president; John Hurford, vice-president; and Leona Mau, secretary-treasurer. Mr. Swavely's officers were Bruce Smith, president; Thomas Stone, vice-president; and Deborah Wallace, secretary-treasurer. Mr. Raffensperger's were Marilyn Burke, president; Robert Berkeiser, vice-president, and Ruth Coleburn, secretary-treasurer.

Mr. Swavely's homeroom won first prize for Christmas decorations, and Miss Manlove's won second prize in the junior high.

Several of our boys participated in sports, and several pupils took part in the Junior High Girls' Chorus, orchestra, and band.

Bruce Howard represented the eighth grade on the Student Council, and Eric McGillicuddy and Dianne Mitton were on the "Mar-News" staff.

This year has been a very enjoyable one for all of us, and we hope the years following will be as pleasant.

## Seventh Graders -- Numerous and Mighty

This year's seventh grade was the biggest in the history of the school. All together there were more than one hundred pupils. The pupils came from Marple, Newtown, Edgemont and various other grade schools. This year in seventh grade were four sections, A to D.

FIRST ROW: N. Stephens, S. Worrell, L. Schonwald, J. Stone, H. Standen, J. Stuhlmuller, D. Senges, D. Stone, D. Wiley, E. Woodward, J. Wright. SECOND ROW: N. Wertz, G. Wheaton, G. Yoder, P. Weitz, B. Miss Manlove, Mr. Baldelli, Mrs. Denlinger, and Mr. Watson were in charge of the four home rooms. To the seventh graders it was quite a shock to come from the highest grade in grade school to the lowest grade in the high school. All in all, this year's seventh grade was a profitable one and we hope it will continue to be so in future years.

This year for the first time, the Student Council has been given school time for its meetings.

During these meetings, we have endeavored to make our school a better place to attend and also to make the activities more interesting. The Student Council has tried to meet the needs of the school and the requests of the students. The Student Council has tried to pass awards on a basis of actual service of the students. In all, the Student Council has been trying to do what the student body wants, providing this is consistent with the school's policy.

In the future, our council is planning a more complete educational, social, and athletic program.

## WE SALUTE ACCOMPLISHMENT

The National Honor Society was established in our school in 1944.

Character, Scholarship, Leadership, and Service are the qualifications for the organization. Speeches were made on these subjects by Marlene Bricker and John Hottenstein, the members who were selected last year. Along with these ideals, the persons selected must have a scholastic average of 85.

Fifteen per cent of the senior class and five per cent of the junior class are chosen each year. This year's membership was the largest ever because of the large junior class.

Members who were inducted from the senior class were Mary Lou Wagner, Lois Lord, Phyllis Smith, and Theodore Hall. The juniors were Nancy Fowle, Dorothy Wardle, Laura Fisher, and Sally Nicholl.

Then on the 27 the affirmative won against Nether Providence while the negative lost to Ridley Township. The next week both teams increased our first place possibilities by defeating Nether Providence and Ridley Township.

On March 22 the negative met Media at home and came out of this contest victorious, but the affirmative met with defeat at Ellis College.

The members of the affirmative team consisted of Ted Hall, Nancy Fowley, and Dotty Seracke; the negative, John Hottenstein, Sally Nicholl, and Susann Shaffner.

### "EVER SINCE EVE"

November 30, 1951, was a memorable night in our school year, for it was then that the senior high school students presented the play, "Ever Since Eve", by Florence Ryerson and Colin Clements. The play was directed by Mr. Robert Trawny, assisted by Nancy Fowle, and it was with great surprise, we discovered how talented we were.

The rehearsals were hectic, the early arrivals groping their way through the dark school to the lightswitches. After the first shock of cold had worn off, we were ready to start with half of the cast still missing. On the evening of the production, however, we played to an appreciative and enthusiastic audience, and after much laughter and ad-libbing, when the final curtain had fallen we knew "Ever Since Eve" had been a huge success.

## Who's Who AT M-N

Marple-Newton High School is proud of the ability and accomplishment of these students, who have earned a place in the national publication "Who's Who Among Students in American High Schools." Scholarship, leadership in extracurricular activities, and potentiality for future responsibility are the basis for determining the representatives selected for this honor. The students must be in the senior high school to be eligible.

# Band

## "STRIKE UP THE BAND"

For the first time M. N. has organized a Junior and Senior Band directed by Mr. S. Lee Varker. The total band, consisting of thirty-five instrumentalists, elected officers at its first meeting. Librarian is Elwood Shupard and president-student conductor is Ted Hall.

The Junior Band, for students from seventh grade to ninth grade, meets Monday and Friday and the Senior Band, for students from tenth grade to twelfth grade, meets Tuesday, Wednesday, and Thursday. The combined band meets during Guidance on Friday.

The Band now has its own rooms, formerly the Junior Homeroom. Now we have a place to store our instruments and a place to rehearse uninterrupted.

Because of the School Board's gracious appropriation, the Band was able to buy many needed instruments. The Band hopefully expects to be marching at football games next fall.

## Chorus

### SING, SING, SING!

The Glee Club, organized in 1944, has a membership of approximately fifty members. Mrs. Charlotte Lesak, our new vocal director, arranged an interesting schedule for the club.

We participated in the Institute Chorus, the Comedy Review, presented by the Lions Club, Community Night at St. Mark's Methodist Church in December, the Marple P. T. A. Christmas program, the Spring Concert and finally, the Baccalaureate service.

Those who are outstanding also have the opportunity of participating in the Musice Festival, held in the Municipal Stadium. To be chosen for this is, indeed, a great honor.

## Tri-Hi-Y

### LASSES BOAST A BUSY YEAR

From all indications our Tri-Hi-Y has had a very prominent and successful year.

In September, the Tri-Hi-Y officers traveled to Camp Dwight, in Downingtown, for an Officers' Conference. There they met officers from other parts of Philadelphia.

On December 23, the girls took filled stockings and cookies up to the fellows at Valley Forge. This project took the place of our annual trip to orphanages.

On December 22, we sponsored the "Holiday Hop," featuring the "Havorfordians. This dance was a tremendous success and added much to our Christmas holiday.

On Friday evenings the club sponsored canteen and several special dances.

In February our club sponsored an assembly program, which was a group from Overbrook School of the Blind.

In May we will have our annual Mother and Daughter Banquet. In June we will give a commencement prize to the Senior getting the highest mark in a reading test.

In summing up the year, we are very proud of our achievements.

# Hi-Y

## LADS ENJOY A FULL YEAR

The Hi-Y started the year under the guidance of Mr. Wertz. Mr. Wertz was fairly new at handling boys' clubs but proved very capable. For the first time, the club held initiation during school hours followed by a party at the home of Bob Barone.

A program committee scheduled many activities for club periods and also after school, the first being a dance on November 3. Later we heard a talk from the Broomall Fire Company on safety at Christmas time. After the New Year, we enjoyed moving pictures, talks by the State Game Commissioners, and swimming and bowling at the West Chester Y. M. C. A.

The following were officers for 1951-1952: Bob Barone, president; Jim Bortle, vice-president; Don Gorman, secretary; Howard Wallace, treasurer.

FIRST ROW: R. Brown, A. Dutton, H. Nask, D. Gorman, R. Barone, H. Wallace, M. Mallon, R. Hess, L. Underhill, T. Hall. SECOND ROW: J. Yomtob, J. Hottenstein, J. Stebbins, T. Moore, W. Green, D. Low, J. Bortle, M. Freeman, R. Gross, D. Taylor, S. Malin, R. Hall, A. Hall, C. Cella.

#### DRAMATICS CLUB

The Dramatics Club has been one of the busiest of all clubs! During the regular meetings they learned the fundamentals of acting and received a play for next year. They assisted in the Senior High School Play, "Ever Since Eve," and presented a one-act play in assembly. The club also had a part in the Hodge Podge of 1952. The officers were: Dale Keenly, President; Kay Collins, Vice-President; Esther Aharonian, Secretary-Treasurer.

#### CHEF CLUB

What good cooks M-N is turning out in the Chef Club! This group of boys has concocted many delectable dishes. The wonderful smells that crept out of the Home Ec. while this club was in session gave proof of their ability. Some gals are going to get not only good husbands, but also good cooks.

#### KNITTING CLUB

Knit one, Purl one! This is what one heard in Mrs. Marlino's room during club period. This club was also busy making everything from gloves to socks.

#### LIBRARY CLUB

The Library is a cheery place these days, thanks to the Library Club, directed by Miss Kantner. The members help to check books, prepare new books for the shelves, keep the shelves in order, and decorate the bulletin boards. These gals also spend many free periods at the desk, pouring over the files.

#### DANCING CLUB

"Waltz me around again, Willie." This group of Jr. High Boys and gals spent many pleasant hours tripping the "light fantastic." Mr. Richute instructed them in everything! PROJECTOR CLUB

Many good pictures will be viewed in the future, thanks to the efforts of Mr. Raffensperger in instructing these boys in the art of running the projector. In this club the boys have also learned to operate the tape recorder and to take care of the equipment.

#### SHOP CLUB

Mr. Guth's group in the Shop Club again exhibited their skill. These gals have made hot pads from wood, and bracelets and letter openers of plastic.

#### CHESS AND CHECKERS

Under the direction of Mr. Baldelli, this group of industrious young men has learned to play chess. After much practice and improvement, several of the "experts" entered contests with other local schools. The officers were: Vincent Mackey, President; William Frick, Vice-President; Charles Goodyear, Secretary; Ronald Winterbottom, Treasurer.

#### FUTURE TEACHERS OF AMERICA

The FTA is one of the new organizations in our school. It is under the national charter and may be found also in many colleges and universities. The purpose of this club is to encourage young people to cultivate the qualities of personality and character of successful teaching. It also acquaints young people with the free schools and the part they have played in the development of democratic ways of life. The officers of the club were P. Orlando, president; N. Eachus, vice-president; C. Stulmuller, secretary; R. Longacre, treasurer.

#### CARD CLUB

"Diamonds are trump." 500, Bridge, Pinochle, Canasta, and what have you were taught in the Card Club by Mr. Oselinsky. They played anything but Old Maids. There were around 20 pupils in this club. These will be our future card sharks!

#### GYM CLUB

"If you can't play a sport...be one." Here is where the future athletes of M-N are found. In this club they learn how to win or lose. This club is under the supervision of Mr. Pittman.

#### NATURE-SCIENCE CLUB

The Nature Science Club under the direction of Mr. Swavely has also been energetic. Their collections of skins, skeletons, rocks, and so forth, were interesting as were their experiments. Among their activities was a trip to Franklin Institute.

#### SPORTS INFORMATION

All the latest newcomers to the field of sports are known to this group. Through the medium of movies, sports magazines, and newspaper items this group of students, sponsored by Mr. Nye, were on their toes with scores, championship winners, and so forth.

#### AVIATION CLUB

"Come, Josephine, in my flying machine...." Many of the fellows at M-N have shown real ability in constructing and flying model airplanes. Mr. Watson lent his able assistance.

#### ART CLUB

The art room has been a busy place all year. The talented boys and girls in this club have turned out some m-i-g-h-t-y fine work, including oil paintings, water colors, and ceramics.

#### TABLE TENNIS

Table Tennis has been a popular pastime throughout the year. Under the direction of Mr. Harvey, the players have become skilled.

FIRST ROW: M. L. Wagner, J. Young, S. Nicholl. SECOND ROW: M. Bricker, N. Perkins, L. Lord. THIRD ROW: A. Rohrer, A. Dutton, E. M. Dougherty, J. Hottenstein. FOURTH ROW: R. Brown, H. Selverian, B. Townsend, C. Hahn, M. Freeman, D. Wardle, B. Johnson, D. Gorman.

## Monitors

### ANOTHER "STRIPE" FOR THE MONITORS

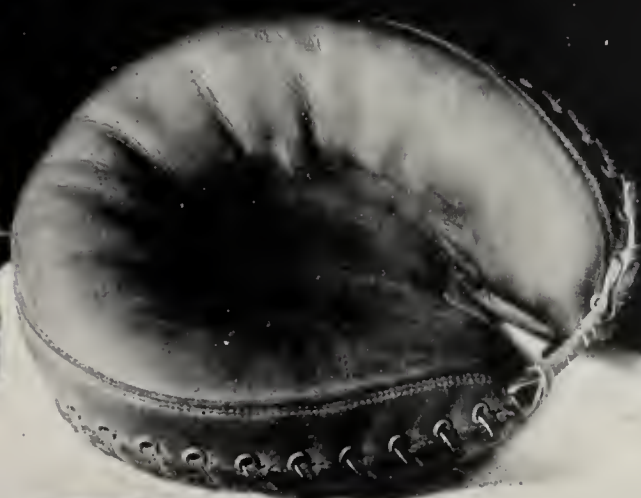

"Single file, keep to the right" is the familiar chant of the Monitors. Too often we take for granted their duties and never stop to realize the important, but thankless part they play in the safety program of our school.

This year it has been even harder for the Monitors because there have been almost twice as many boys and girls in the school as previously enrolled. The new wing alone called for an increase of five more Monitors.

So to our Monitors we present another "Stripe" with our sincere thanks for a job well done.

# ATHLETICS

## OVER THE GOALPOSTS

"It's marked not that you won or lost,  
But how you played the game."

1951-1952 was a sad year for our Tigers, because of many players being members of last year's graduating class. Mr. Nye, and Mr. Swavely started actually from scratch with eight returning lettermen.

The season, however, had its highlights. While we won only two games, with West Pottsgrove and Sharon Hill, our boys played well. Dutton and Shupard carried us to victory in both games, then Nask and Mallon placed the score at Spring City. At Prospect Park, Shupard scored the first touchdown and Hess galloped 66 yards for the second.

M-N finished up the football year by being defeated by Springfield with a score of 20-0.

On November 27, the Tigers were guests of the Athletic Association at a Sports Banquet held in the gym. Ned Nedurian, Master of Ceremonies, introduced the guest speaker of the evening who was John "Ox" DaGrossa. Awards were presented to Mike Mallon, lineman-of-the-year; Elwood Shupard, most valuable player, and Don Gorman the best Sportsman.

### PROSPECTS LOOK GOOD

The Junior High, coached by Mr. Robert Pittman, turned out in large numbers, for the first practice.

They started the season with an impressive victory over Glen-Nor but concluded it with a record of one win, three losses, and one tie.

Len Cella and Ray Bradley were elected co-captains.

## Pee Wee Football

### PEE WEES - THE HOPE OF M-N

The seventh grade was so well represented in football it had its own Pee Wee team, coached by Mr. Watson.

These boys have gained a lot of experience for next year's junior high football team.

They ended the year with a record of one win and two losses.

FIRST ROW: P. McDonald, J. MacDonna, E. M. Dougherty, A. Rohrer, N. Perkins, J. Young, N. Bogardus, E. Winterbottom, P. Lamb, J. Parks, P. Miller. SECOND ROW: F. Hottenstein, J. Walker, B. ## Hockey

"WE'LL SHOW YOU NEXT YEAR," CLAIM GIRLS.

Our Hockey squad got going this year under the excellent coaching of Miss Baldwin. There were many out for hockey, therefore, we were able to have four teams.

The record this year wasn't too good, but we still played an excellent game of hockey. The varsity won none, tied two, and lost five. The Jay Vee lost six, and won one. The third team tied one and lost one. The fourth team won one and lost one.

This is Miss Baldwin's first coaching experience, and the team would like to congratulate her for her fine job.

Of these lassies there is lots to tell  
Because this season they all did swell.  
Look at the picture from left to right,  
And then each girl you will have in sight.  
Emmy was our little left full back,  
Shined on defense end on the attack.  
Center was Nancy quiet and sweet;  
To watch this gal was really a treat.  
Blonde hair and blue eyes, Alice, the name,  
Right fullback position brought her fame.  
Goals this year were few and far between,  
But Judy was M-N's scoring fiend.  
We'll never forget our Edna Mae;  
At left inner she helped save the day.  
This gal possesses many good traits,

Captain Janice with us really rates.  
Left half a position hard to play  
Pat would change it if she had her way.  
As halfback one has to run and run  
Nancy ended with a job well done.  
Jean was given the worst job of all  
When ten missed she had to stop the ball.  
Pat at left wing had the speed to clock  
All you could see was her orange sock.  
Far across the field and to the right,  
Patty played wing with all her might.  
Joanie and Shirley played a nice game  
Add them to the hockey hall of fame.  
A toast to Miss Baldwin who's full of fun  
Her first job of coaching, was a job well done.

## WE WANT A BASKET

Although all the scores were against M-N, the boys fought all the way in every game. The squad had a good many lower classmen in action throughout the season.

With this fact in mind we may look forward to better teams in the coming years at M-N.

Lowell Underhill was high scorer with 136 points, while James Bortle was next with 110 points.

Very aggressive Javees displayed plenty of scrap and came through victorious in many hard-fought battles. We are looking forward to great things from this group.

Under a good job of coaching by Miss Baldwin the basketball team had wins and hard-fought losses.

Playmaker Janice captained the team

## Cheerleaders

### A CHEER FOR THE CHEERLEADERS

As usual, the cheerleaders, an energetic group, if there ever was one, supported the teams with pep and enthusiasm, win or lose.

With much whirling and high-jumping, they worked overtime to give support to the team, though their portion of glory was ever small. So, let's give them a cheer for their tireless efforts and good work.
